

2020-2021 – COVID Public Health Guidance

This guidance document is being provided based on the public health situation as we understand it today and takes effect immediately for the 2020-2021 school year. Changes to the public health situation over the course of the school year may necessitate changes to this guidance.

DETCCA WILL:

- Reduce visitors such as guests and contractors during hours that students are on campus
- Temperature checks and security measures will be followed for all visitors
- Conduct meetings remotely through phone or video conferencing technology as needed
- Cancel or postpone nonessential meetings and events as appropriate
- Close common areas or limit use by social distancing
- Place desks, tables, equipment per social distancing guidelines
- Ensure proper placement of hand sanitizer and allow access to handwashing
- Post signs requiring good hand and respiratory hygiene practices (masks, etc.)
- Increase sanitation and disinfecting of classrooms, restrooms and all common areas
- Ensure trash is removed daily and disposed of safely (discarded face masks, tissues, etc.)
- Provide facemasks/coverings for students if they become damaged, lost or broken while on campus
- Report to each district immediately if a student from DETCCA test positive and follow Covid-19 cleaning procedures – Districts will follow the TEA – COVID Guidelines to notify their school community.

DETCCA PARTICIPANTS WILL:

- Stay at least 6 feet apart in enclosed spaces, hallways, and restrooms and other areas as appropriate
- Will transition/move ONE-WAY in the hall-way areas. Signs will be posted to give direction
- Wear a mask, face covering or face shield to campus every day
- Increase sanitation practice by washing hands frequently, use hand sanitizer that is provided. Throw waste paper in trash cans and report when facilities need to be cleaned.

NOTE: Notify campus staff if you become ill during the school day with any of the following symptoms:

- Fever
- Cough
- Shortness of breath
- Muscle or body ache
- Headache
- Loss of taste/smell
- Sore throat
- Nausea/diarrhea/vomiting
- Congestion/runny nose

If you feel sick, it is best that you stay home. Please notify the center of your absence.
